

These changes help us serve our members & will be available on our website 04/01/2019.

In our efforts to constantly improve service to our members, we are making a number of important changes to our agreements with you. In our new Member Service Agreement (MSA) and Business Service Agreement (BSA) we have not only added new user-friendly explanations about our products and services, but have also addressed how we help you with products and services by phone and online. Additionally, we've more clearly explained the terms of having your membership, products and services with us, and how you may start, use, change, add and terminate all the products and services by any method we offer. These changes assist us in providing you with excellent service and superior financial products, and serve the best interests of the members of our Credit Union.

For your convenience we have summarized the key major changes to our new MSA and BSA below. Each matter summarized has a number for you to locate and read the specific Provision where the matter is addressed in the MSA and BSA (if different, the BSA is the second number in the summary).

The new MSA and BSA are effective May 1, 2019. You can obtain a complete copy of the new MSA and BSA from us at any time on our website at www.msfcu.us, or by contacting us and having us e-mail or mail them to you. You may also obtain a copy of the new MSA and BSA by coming to our branch.

Please access, read and keep a copy of your new MSA and BSA so that you can refer to them anytime about matters that affect your membership, products or services with us. Should you have questions about any matter addressed in the new MSA and BSA, please contact us at the number above during business hours and we will be happy to assist you.
