

## **Employer or Association Resources**

Mississippi Federal Credit Union is a no-cost benefit to your employees or members that allows them access to a variety of financial products and services. This benefit requires no time or effort on your part. You simply sit back and let Mississippi Federal bring all the benefits of membership to you.

Along with access to all that our Credit Union has to offer, MSFCU also adds to your organization's culture. We will work with you and your company or association to bring appropriate social activities straight to your workplace. Whether it is food and games or educational seminars, we are available to serve your needs.

Benefits your organization can enjoy with Mississippi Federal include:

**Lunch and Learn for all employees**

**Meet and Greet activities that allow employees to become more familiar with Mississippi Federal in a friendly atmosphere**

**Assistance to educate your New Hires about their credit union benefit during New Hire Orientations**

**On-site support during open enrollment meeting, health and benefit fairs**
