By signing above, you authorize MSFCU to extend your final loan payment by one month. Interest will continue to accrue on your loan during the month you skip your payment. In some cases, based on the size of your balance, the interest, which accrues, may be greater than the amount of your next regular payment. It may take you several months to begin to reduce your principal balance. Following the skipped payment month, the loan will revert back to the original payment schedule. MSFCU has the right to refuse any skip-a-payment request. If you experience a total loss or unrecovered theft of your vehicle and have purchased Guaranteed Asset Protection (GAP) coverage, a skip-a-pay may reduce your GAP coverage by the amount of your monthly payment plus the skip-a-pay fee.

All signers, including co-signers, on the loan(s) must sign below in full understanding and agreement of the terms above.
